

VISTRA FREIGHT ROUTING INSTRUCTIONS

ALL shipping documents, as well as packaging and packing lists, MUST contain Vistra's PO#.

- Account numbers and Instructions vary by ship-to-location and by shipment type.
- COD (cash on delivery) shipments may be rejected.
- All material shall be properly palletized and secured to allow safe unloading with material handling equipment.
- Failure to follow the instructions below may result in a short pay or payment refusal situation as Vistra reserves the right to deny the payment of any freight-related charges on non-compliant shipments.

1. BEAVER VALLEY, DAVIS-BESSE, or PERRY NUCLEAR POWER PLANTS (ONLY)

- Schedule all freight (both parcel and non-parcel / domestic or international) thru online routing guide at <https://vistrafreight.com>
- If shipment cannot be scheduled electronically through the online routing guide, or if shipment requires special handling, contact Ardmore Power Logistics (800-349-7619)
- Bill *THIRD PARTY* to Ardmore Power Logistics
- Oversized loads to be delivered on flatbed; box trucks with oversized loads will not be accepted
- Prior notification required if more than 4,000 lbs TOTAL per material/pallet; if oversized items must be off loaded from the side of a flatbed; if an overhead crane is required; or if an entire truck load of material
- For directions to warehouses, call 888-823-7447
- No shipments will be accepted outside the following warehouse receiving hours or on U.S. major holidays, unless approved in advance by a Vistra purchasing representative. (
